

Hello Visitors,

Please call the museum-440 232-0796- to make sure we are open. In an effort to keep within our budget, Trustees voted to close the museum from December 23 to January 31. Northeast Ohio winters are brutal and the cost of heating the main building plus plowing the parking lot and sidewalks had been a drain on the budget. You can leave a message on the phone or at this website if you need information.

Janet Caldwell, Director / curator
